Juniper's COZY CORNER

FROM JUNIPER'S DESK

Welcome to Juniper's Cozy Corner! Pull up a comfy chair, grab a warm mug, and settle in. Each month, I'm pulling back the curtain on my writing desk to share behind-the-scenes clues from my latest cozy mystery, sneak peeks at what's coming next, and a few little comforts I'm loving right now. I'm so glad you're here to share the quiet moments with me!

THE WRITER'S NOTEBOOK

I've been deep in the trenches sorting out the twists for the next mystery. There's something so satisfying about planting a subtle clue in chapter three that won't make sense to anyone until the very end. Grab your tea and join me as we piece this puzzle together!

CLUES & SNEAKPEEKS

Big clues are coming in Book 4 of A Soapy Siren Series! We're circling all the way back to where it all began in Sudsy Suspicions—did you catch the hidden connection I just planted? Get ready for a thrilling full-circle reveal!

COZY COMFORTS

A steaming mug of spiced chai, a flickering candle, and the quiet magic of a rainy afternoon.
